2000 Analytical Review DWCCA-4960-PJL

Dear Ms. Berube:

The Public Service Commission has completed their analytical review of your 2000 annual report. The primary purpose of our analytical review is to detect possible accounting related errors and to identify significant fluctuations from prior year's data, which are not sufficiently explained in the footnotes of your annual report. We have no questions, only the following comment.

During our review, we noted that while there is \$61 reported in Account 690, Uncollectible Accounts on page W-5, the same amount was not deducted from the Revenues Subject to Wisconsin Remainder Assessment on line 5 of page F-4. Please note that in the future uncollectible accounts can be deducted on page F-4.

You may consider your review closed. Thank you for your efforts in preparing your 2000 annual report. If you have any questions, please feel free to contact me at (608) 267-9198 or e-mail me at leegep@psc.state.wi.us.

Sincerely,

Peter J. Leege Financial Specialist Division of Water, Compliance, and Consumer Affairs
